Entry Requirements

All applicants for an individual Home Inspector Certificate must meet the following requirements:

- Age of 18 years old.
- High School Diploma or equivalent.
- Completed one of the following:
 - Completed 35 contact hours of classroom instruction♦ and have completed a minimum of 100 home inspections or
 - Completed 35 contact hours if classroom instruction ♦ and have completed a minimum of 50 certified home inspections under the direct supervision of a certified home inspector or
 - Completed 70 contact hours of classroom instruction♦ and have completed a minimum of 50 home inspections or
 - Completed 70 contact hours of classroom instruction♦ and have completed a minimum of 25 certified home inspections under the direct supervision of a certified home inspector.
 - ♦ *Classroom instruction shall cover the content areas of the Board-approved examinations - **An applicant who cannot fulfill the classroom instruction requirement may substitute a minimum of 10 years of experience as a home inspector with a minimum of 250 home inspections completed. The experience substitution is subject to review and approval.***
- Passed the National Home Inspectors Examination or another written competency examination approved by the Board.
- Submit evidence of having obtained at least \$250,000 in general liability insurance.

Note:

For those applicants who hold membership in good standing in a national or state professional home inspectors association, specific membership requirements that are equal to or exceed certification requirements listed above may be accepted to satisfy the classroom instruction, experience or written competency examination entry certification requirements. Any certification requirements not met by association membership must be satisfied. For example, if classroom instruction was not a requirement for association membership, the applicant must still submit the required documentation to meet this entry requirement. All entry requirements satisfied by association membership are subject to Board approval. The applicant shall send a form, provided by DPOR, to the state or national professional home inspectors association. The association shall indicate the membership requirements that the applicant met to obtain membership. The applicant shall include the completed form with his application if applying in this manner.
